FLUROTECH ANNOUNCES OTCQB LISTING

Calgary, Alberta, January 7, 2019 – FluroTech Ltd. (TSX-V: TEST) (OTCQB: FLURF), (“FluroTech” or the “Company”), is pleased to announce that its common shares commenced trading today on the OTCQB® Venture Market (“OTCQB”), under the symbol "FLURF". Real-time quotes and market information on the Company are available at www.otcmarkets.com/stock/FLURF/quote. Clark Wilson LLP acted as the Company’s sponsor.

"Listing on the OTCQB Venture is part of a long-term strategy to introduce the Company to a broader audience," said Danny Dalla-Longa, CEO of FluroTech. "We believe trading on the OTCQB will help us enhance liquidity by providing our current and future American investors with a trading platform."

The OTCQB is a marketplace for entrepreneurial and development stage U.S. and international companies that are committed to providing a high-quality trading and information experience for their US investors. To be eligible, companies must be current in their financial reporting, pass a minimum bid price test, and undergo an annual company verification and management certification process.

FluroTech's common shares continue to trade on the TSX Venture Exchange under the symbol "TEST".

About FluroTech (TSX-V: TEST) (OTCQB: FLURF)

FluroTech is a technology and marketing company whose core business is focused on the commercialization of new technologies in the cannabis industry. FluroTech’s proprietary spectroscopy-based technology allows for the testing and identification of organic and inorganic compounds contained within biological samples. Using the technology that was developed at the University of Calgary in conjunction with the University of Alberta, FluroTech has developed a two-part solution comprising an instrument called the CompleTest™ and consumable testing kits.

DISSEMINATION IN THE UNITED STATES**

financial performance or financial position. The forward-looking information in this news release includes disclosure about the benefits of listing of the Company's securities on the OTCQB, including introducing the Company to a broader audience and enhanced liquidity of the stock.

The Company made certain material assumptions, including but not limited to prevailing market conditions and general business, economic, competitive, political and social uncertainties to develop the forward-looking information in this news release. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.

Actual results may vary from the forward-looking information in this news release due to certain material risk factors. These risk factors include, but are not limited to, adverse market conditions and regulatory and other risks associated with the cannabis industry in general, and failing to recognize the anticipated benefits of the listing of the securities of the Company on the OTCQB. The Company cautions that the foregoing list of material risk factors and assumptions is not exhaustive.

The Company assumes no obligation to update or revise the forward-looking information in this news release, unless it is required to do so under Canadian securities legislation.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy of this release.
